## MAIN CHARACTERISTICS

TYPE	Full displacement, Twin Screw Motor Yacht
CONSTRUCTION	Steel Hull Aluminum Superstructure Teak Decks
CLASSIFICATION	Lloyds 100A1, SSC YACHT, MONO G6 LMC, UMS, MCA. Complies with Large Yacht Code (LY2), with a Certificate of Compliance from Cayman Islands Shipping Registry (CISR).
FLAG	Cayman Islands
DIMENSIONS	
LOA	70.25 m (230')
LWL	60.7 m (199')
BEAM	12.8 m (42')
DRAFT (half load)	3.54m (11'6 ")
DRAFT (full load)	3.65m (12'0")
GROSS TONNAGE	1,938 GT
DISPLACEMENT FULL LOAD	1,626 tons
DISPLACEMENT LIGHT SHIP	1,391 tons
YEAR	2007
REFITS	2015/2016 & 2016/2017
BUILDER	Lurssen
NAVAL ARCHITECT	Lurssen
EXTERIOR STYLING	Espen Øeino
INTERIOR DESIGN	Francois Zuretti
INTERIOR FIT-OUT	Green Line
NOISE & VIBRATION ANALYSIS	Lurssen

## ACCOMMODATION

### GENERAL:

SAINT NICOLAS sleeps twelve in Owner's party plus two additional staff in *six double staterooms* plus a two-person *staff stateroom* for a total of fourteen in Owner's party.

She sleeps *seventeen crew* in seven upper and lower berth staterooms plus an additional three in a triple stateroom. Captains stateroom is on the bridge deck level and sleeps two.

Her very rich interior is a timeless blend of cherry, mahogany, walnut and fruit wood burls, juxtaposed with marbles, onyx and granite and surrounded by cream colored furnishings.

An *elevator* services all five decks from the lower to the upper deck and she has a lovely *swimming pool*. Tenders are in side garages.

Her German built Lurssen pedigree speaks for itself.

### ACCOMMODATIONS

#### SUN DECK:

Forward in the sun, there are seven reclining loungers facing forward or aft, and three built in sofas facing forward around coffee tables for additional lounging.

Shaded under the mast and protected from the wind by glass panels are four additional loungers, a sofa and a Techno Gym treadmill and elliptical machine for the *outside gym* space.

#### UPPER DECK:

All the way forward on the upper deck is the *observation salon and lounge* with TV under the seventeen windows and a U-shaped couch ideal for comfortable lounging that looks forward. There is door access out to the forward deck area.

Open to the *upper deck lounge* aft which is down two steps, this space is fantastic with many large windows and excellent light. The *glass elevator* and central staircase arrive in the forward part of this salon. There is a bar with stools to port and a large casual dining area opposite to starboard. Note that previously, the enclosed gym was in this area with four machines on the starboard side, replaced by the present dining area. There is a *day head* in the aft starboard corner with internal access.

Proceed out to the *pool deck*. There is a U-shaped bar with four bar stools forward of the swimming pool, and there are four bar stools in the pool as a swim ups to the bar! The pool is 6m (20 feet) long and can be shaded by electric louvres. There is a BBQ and china storage to port and four chaise loungers either side ahead of built in settees and couches which have coffee tables nearby. There is ample space for an outside dining table and chairs for twelve.

#### BRIDGE DECK:

The *wheelhouse* is forward behind the Portugese bridge. There is a central chart island in the wheelhouse and forward-facing settees with tables both port and starboard. The *ships office* and *audio-visual room* is aft to starboard and *Captain's cabin* with queen berth is opposite to port. There is a large *pantry* further aft to port, the central staircase, *glass elevator* and *day head* are on the centerline.

A *VIP stateroom* with queen bed, lots of windows and an en-suite bathroom with two sinks and a shower is opposite to starboard.

The full beam *bridge deck salon or sky lounge* is further aft with conversational couch settings either side and large screen TV on the forward bulkhead, as well as an additional TV in a central chest for starboard side viewing and bookcases on the aft bulkhead. There is a bar aft to starboard with six stools and easy chairs opposite to port.

The *dining room* with circular table and fourteen chairs around is further aft and opens with sliding glass doors to the *aft bridge deck area*. Outside there is comfortable seating all around aft and a teak dining table for twelve plus, completely covered for shade.

#### MAIN DECK:

All the way forward is the forward-facing *Owner's observation salon*, ideal as a private massage room, which is three steps up from the full beam aft facing king-sized *Owners stateroom* which also has a sofa to port, chaise lounge and corner desk to starboard an entertainment center on the aft bulkhead. The *owner's bathroom* is further aft with his and her sinks, his and her toilet rooms, hers with a bidet, a central Jacuzzi tub in the middle of the bathroom and her vanity area to port. There is a separate shower to starboard and a private closet to port.

There are hanging lockers on the starboard side including a full walk in.

The *owner's office* is aft to starboard. The *owner's lobby* is further aft. Access is through a secure automatic sliding door.

The *main ships galley* is centrally located on the port side with an island, refrigeration and a dry store room. The galley adjoins a large *service pantry*.

The *main deck lobby* has the *glass elevator* and central staircase as well as an additional *day bathroom*.

The main *dining room* for twelve or fourteen is ahead of the main salon and separated by a bulkhead with service areas and china storage underneath.

The spacious *main salon* has various seating arrangements by way of couches and easy chairs and a self-playing Steinway piano in the aft port corner. There is a stand-up *bar* forward.

The enormous *main deck aft* has various couches and easy chairs and a comfortable U-shaped sofa all the way aft. There is dual staircase access down to the *swim platform* on both port and starboard sides.

#### LOWER DECK:

There are *seven double crew staterooms* forward as well as *one triple crew stateroom*. All crew cabins have en suite heads with showers.

Further aft through a crew service corridor are *port and starboard guest suites*, each with sofas, desks and aft facing queen sized berths and en suite bathrooms with WC and bidets in a separate room and walk in hanging lockers.

The *glass enclosed elevator* and central staircase is centered.

Opposite to starboard is a *staff stateroom* with en suite bathroom with shower and upper and lower berths.

Opposite to port is the private crew entrance to the guest area with *small laundry* for guest use and a *side loading or service* door therein.

Further aft are *two additional guest suites*, each with convertible sofas for an extra berth, desks and aft facing queen sized berths and en suite bathrooms with two sinks, WC and bidets in a separate room and walk in hanging lockers. Each of the aft suites also has an easy chair and side table.

The *engine room*, *engineers control room*, *workshop* and *day head* for crew are all further aft ahead of the *tender garages* housing the two 8m (26') tenders, three Sea Doo's and various

other water sports equipment, launched through port and starboard doors. There is centerline access to the deep comfortable *swim platform* and a *day head* at this level as well.

#### TANK DECK:

The tank deck has huge volume and has the hi fog room forward, proper sized *laundry* full beam aft with *dry store, linen store, medical store* and *hospital* and *refrigeration* and *freezer rooms* further aft. There is also an AC room, *refrigerated garbage room, central elevator* access, *crew desk* and a massive *crew mess, crew lounge* and *crew pantry/galley* area. There is also a crew gym adjacent, all ahead of voluminous easily accessed technical spaces.

#### MACHINERY

MAIN ENGINES	2 X Caterpillar 3512 B, each 1.500 KW / 2,038 HP	
ENGINE HOURS	Port: 7,765 hours, Stbd: 7,751 hours in November 2017	
SPEEDS & FUEL CONSUMPTIONS	15,5 kts(max)	650 lt/hr – 171.7 USG/Hour
	13,0 kts (cruising)	400 lt/hr – 105.6 USG/Hour
	10 kts (economical)	320 lt/hr – 84.5 USG/Hour
	(Total consumption including one generator)	
MAXIMUM RANGE	4,500 nm (Cruising Speed)	
ENGINE ROOM VENTILATION	Heinen & Hopman forced	
EXHAUST SYSTEM & SILENCER	Lurssen	
GEAR BOXES	Reintjes	
SHAFTS & SHAFTS JOINTS	Piening Shafts, Simplan seals, Voith Couplings,	
PROPELLERS	Otto Piening	

#### AUXILIARY MACHINERY & ELECTRICAL SYSTEMS

ELECTRICITY	400V 400Amp
MAIN GENERATORS	3 X Caterpillar C18's, each 350 kVA at 1.500 rpm
MAIN GENERATOR HOURS	Gen#1 28,557hrs Gen#2 29,357hrs Gen#3 28,247hrs
GENERATOR CONSUMPTION	1,200 liters/24 hours – 317 USG/24 hours

EXHAUST SYSTEM & SILENCER	ETB Catalytic Convertors
EMERGENCY GENERATOR	1X Caterpillar C9, 190 kVA at 1.500 rpm, 94 hours
SHORE POWER CONVERTER	2 X Jovy Atlas, Global Power Converters 180Amp
BATTERIES	Air Start Saure
MAIN SWITCH BOARD	Interschalt
POWER MANAGEMENT	Interschalt /Dief
EMERGENCY SWITCH BOARD	Interschalt /Dief
MAIN TRANSFORMER	Jovy Aatlas
CONTROL & MONITORING	Vista Automation / Interschalt
LIGHTS & CURTAIN AUTONATION	Lutron
UNDERWATER LIGHTS	10 X Underwaterlights
GUEST AREA & EXTERIOR LIGHTING	Lutron

#### TANK CAPACITIES

FUEL	202,500 liters	53,494.84 US Gallons
WATER	28,400 liters	7,502.48 US Gallons
CLEAN LUB OIL	6,200 liters	1,637.86 US Gallons
DIRTY LUB OIL	4,600 liters	1,215.19 US Gallons
GREY WATER	18,000 liters	4,755.09 US Gallons

#### 2015/2016: MAJOR REFIT OF THE YACHT INCLUDING:

- Hull and superstructure entirely repainted
- Interior varnish redone in places
- Stabilisers overhauled and serviced
- Main engines boroscoped and serviced by Caterpillar (Zeppelin, Germany)
- Main engine exhaust valves overhauled, including insulation renewal
- Main machinery re-painted
- Generators serviced by Caterpillar, Zeppelin Germany
- Serviced hydraulic installations including shell doors, lifts and dumb waiters
- Armaflex insulation mostly renewed
- Various non-statutory valves mostly renewed- for example fuel oil transfer valves
- Shore power converters serviced
- Stainless steel anchor pockets partly re-polished
- Forepeak re-painted
- Forward mast refurbished
- External deck lockers re-painted
- Teak decks have been sanded and recaulked
- Pool refurbished, including replacement of tiles
- Hi-Fog system serviced
- Sports boat re-painted

2016/2017

- 10-year Lloyds class surveys performed May 2017
- Top end overhauls on generators 1 and 3
- 'ETB' diesel generator exhaust gas soot treatment system cleaned
- Electrical installation was checked by LR during the special survey. This included resistance testing of the wiring.

#### NOTEWORTHY FEATURES AT A GLANCE

- Lurssen pedigree
- Espen Oeino design
- Lloyds and MCA
- 6 staterooms
- Massive volume, 1938 GT
- Never chartered
- New paint 2016
- 10-year class surveys completed
- Immaculate condition
- Ready to cruise or charter immediately

#### INVENTORY AND EXCLUSIONS:

An inventory and exclusion list will be provided pursuant to an acceptable purchase agreement.

All speeds, measurements, capacities, consumptions, etc. may be approximate or estimated. Specifications provided for information only. Data was obtained from sources believed to be reliable and is not guaranteed by owner or brokers. Buyer assumes the responsibility to ascertain the correctness of all data contained herein and otherwise provided and must instruct his agent and surveyors to confirm all details for accuracy prior to purchase. Subject to prior sale, price and inventory change, or withdrawal from market without notice.

#### DISCLAIMER

All speeds, capacities, consumption, etc. are approximate or estimated; measurements can also be approximate. Specifications are provided for information only and particulars herein obtained from sources believed to be correct, but are not guaranteed. Buyer should instruct his agent and/or surveyor to check all details for accuracy. Offered subject to prior sale, price and/or inventory change, or withdrawal from the market without notification.
